Cutting-Edge Technology

MENU SERVICES

THE ULTIMATE SERVICE MERCHANDISING TOOL

MANAGEMENT MADE SIMPLE

In order to effectively manage a service department in real-time, Dealer-ProTech Menu Program allows management to incentivize and monitor each of the advisors, to ensure the Dealer-ProTech Menu Program is being utilized to its fullest capacity. In addition, our dealer consultants are able to monitor and provide information to assist you in gaining the success you desire from our product.

Examples are:

- What products/services are being sold by the advisors?
- The dollar amount of additional sales being generated.
- Which of the advisors are presenting additional products and services to the customer?

THE BOTTOM-LINE

Stop "selling" to your customers. Instead, show them what they need, why they need it, and the cost by using customer facing menu screens. Dealer-ProTech products, are designed by automotive retail-minded professionals solely around the service department needs. Let us prove ourselves to you and realize improved results at the top and bottom line.

It's our promise!

DEALER-PROTECH MENU SPECIFICALLY FOR THE SERVICE DEPARTMENT, DP MENU SERVICES WILL DIRECTLY INCREASE YOUR AVERAGE HOURS PER R.O. BY PRESENTING CUSTOMERS WHAT THEY NEED, WHEN THEY NEED IT.
